# Enrollment

Applications for the 2024–2025 school year will begin on **Friday, February 9, 2024 at 9:00am**. At that time a link will be placed on the home page of the district website, waylandunion.org and on the Preschool page (click on the Early Childhood tab under *Departments* and then click *Preschool*.)

**\*Current preschool families and WUS district families will be sent an email with the pre-admission link in early February. Priority will be given to in-district families prior to February 9, 2024.**

**Completing the pre-admission application does NOT guarantee a spot in a classroom**, but will allow us to contact you with the next steps and/or be placed on a waitlist. The online pre-admission form will save your spot in line for registration while you complete the forms and submit the enrollment fee.

## What is the next step after I submit the Pre-Admission Form?

**Step 1:** You will receive an email or text invitation from Brightwheel to connect to your child's profile and to set up your Brightwheel account.

**Step 2:** Within 5–7 business days, you will receive a confirmation email with an invite to complete enrollment forms and set up billing information. (Please note: your child is not enrolled until we have received your enrollment fee and the required paperwork is completed).

**Step 3: Enrollment Fee** - if there is an immediate opening, we will add an invoice into your Brightwheel account. If there is not an opening, you will be placed on a waitlist and no deposit is required.

**Step 4:** By the first day of school, please submit your completed Health Appraisal Form to the school.

## How do I know if I have a spot on the roster?

Within 5–7 business days you will receive a confirmation email with instructions to secure your spot on either a classroom roster or on a waitlist. If we are able to offer you a spot right away, then an invoice will be added to your Brightwheel account for the \$75 enrollment fee (\$100/family). If we need to add you to a waitlist, then you can join the list at no charge.

## Tuition Payments

Families enroll at the beginning of the school year for automatic payments in their child's Brightwheel account. Payments are posted on the first of each month from September to May (9 months).
