

## General Goals of the K-5 General Music Curriculum

The general music curriculum of Wayland Union Schools will strive to:

1. Be varied to meet the needs of all students
2. Challenge every student
3. Develop musical ability, positive attitudes and a love for music
4. Develop self confidence, self control and self discipline
5. Help students learn to participate freely in group activities
6. Familiarize students with musical styles and traditions
7. Familiarize students with the musical symbol system
8. Help students to sing, play or move rhythmically in response to aural or visual stimuli
9. Assist students in becoming a more perceptive listener
