## Wayland Union Schools Co-curricular\Extra-Curricular Application

Activity Name:\_\_\_\_\_

Sponsor Name:\_\_\_\_\_

Activity Type: \_\_\_\_\_ Curriculum related (see guidelines for definition)

\_\_\_\_\_ Non-curriculum related (see guidelines for definition)

If curriculum related which class or course currently offered by Wayland Union Schools is supported or enhanced by the proposed activity?

Please provide a brief response to the following:

Purpose or rationale for the activity:

Intended benchmarks or student outcomes:

Participation (grade levels, expected participation numbers for first three years of the activity)

Plan of operation

Costs (supplies, labor, materials, travel, other costs project costs for 3 years)

\*Please provide a budget for the activity which provides projected costs for the first three years of the activity.

Person in charge (please consider 3 years of the activity and who will do this for those three years)

## Please provide response to the following questions:

What data will be collected and used to evaluate the activity for achievement of the benchmarks or outcomes and how often will this occur?

Will any of the costs be grant funded? If so, what is the granting source and how will the grant funds be used?

\*If grant funds are to be used please secure and submit a letter from the grant source indicating the grant amount and what costs\activities are approved for funding. Also, please have the grant source include the length or period for which they are providing funding.

Will any of the costs be covered by a PTO\PTA or any other parent organization?

If funds will be provide by a parent organization please secure and submit a letter from the organization indicating the amount of funds that will be provided, what costs will be covered and the length of the funding commitment.

Once grant or parent organization funds are no longer available what is the plan for covering these costs?
